SUMMARY OF QUALIFICATIONS

Versatile professional with a strong background spanning operations management, process improvement, technical sales, and platform administration. Experienced in leading cross-functional projects, improving manufacturing efficiency, and supporting business systems (CRM, LMS, Microsoft 365). Proven ability to build and train high-performing teams and translate complex technical concepts into clear, actionable solutions. Recognized for adaptability, strong communication, and the ability to quickly master new technologies and processes.

SKILLS

Process Improvement • Project Leadership • Microsoft 365 (Teams, Outlook, SharePoint) • CRM & LMS Administration • Quality Control • Technical Sales • Data Analysis

PROFESSIONAL EXPERIENCE

Marketing Specialist – Operations, [Contec Inc.](#), Spartanburg, SC

Feb 2025 – Sep 2025

- Provided internal user support for CRM, LMS, and sales enablement platforms.
- Assisted employees with account access, permissions, and system navigation issues.
- Lead projects which included setting up training programs for sales reps on sales enablement platform
